EXPERIENCE

FREELANCE WEB DESIGNER/DEVELOPER PORTABELLA | 2018

Designed, developed and deployed portabellahomes.com from scratch in 2017. WordPress relaunch in progress and scheduled for May 2018.

EXECUTIVE ASSISTANT

WORKFRONT | JUN 2011 - AUG 2014

Supported the CTO and Development leadership in organizing team building activities for the Technology Development team of over 100 people. Activities included hackathons, bug-squash competitions, team off-sites, ski days, leadership meetings, all-hands meetings and hosting regular AngularJS meetups.
